TECHNICAL DATA SHEET

BBON-1 Bonus Tape

Product description	Buff polypropylene packing tapes on a reduced-diameter core to give longer
	roll length and reduce roll change frequency and storage requirements.
Product codes	
~ colour	buff
~ adhesive	solvent
Specifications	
~ roll width	50mm
~ roll length	200mtr
~ backing type	polypropylene
~ backing thickness	28mu
~ adhesive thickness	20mu
Technical data	
~ elongation at break	0.73
~ tensile strength	140N/25mm²
~ adhesion to steel	4.5N/25mm²
~ temperature resistance	maximum + 60°C
Dispenser	SBTD50
Disperiser	351530
